to larger population

+

Health Prevention  
**Program 3** targeted  
to larger population

&

Health Prevention  
**Program 4** targeted  
to larger population

\$213.96 per member per month (pmpm)

### IN ORDER TO BE ELIGIBLE FOR ALL TIERS:

- Client is Medicaid Eligible
- Client is Passport Eligible
- Client is IHS Eligible
- Client lives on Reservation
- Client can "Opt Out"
- Tribe has executed HPDP 638 Agreement with IHS
- Tribe has executed Task Order with DPHHS

### PASSPORT MEMBERS:

- Passport is Medicaid's primary care case management program
- Members can *choose* or be *assigned* to a Passport Provider
- Most Medicaid clients will be Passport members (However, a small percentage will not be Passport members, due to being dually enrolled in Medicare & Medicaid; being in foster care and/or living in a facility such as a nursing home)
- \*\*A Passport provider and a T-HIP provider can be different. A tribe does not have to be the client's Passport provider in order to be the T-HIP provider.**
